COVID-19 Response Nurse
(multiple casual positions, 6-8 week contract)

We provide client-centered, wholistic primary health care through an interprofessional, team-based model of care. Services comprise a range of options including prevention, assessment, diagnosis, and treatment based on traditional and contemporary models of care, using wholistic health and community development concepts.

The COVID-19 Response Nurse reports to the Clinic Nurse Care Coordinator (CSL). The COVID-19 response nurse works with the Isolation Centre staff and directional teams to conduct COVID-19 Immunization Clinics in First Nations communities as well as Kenora. Position may involve working weekends.

NOTE: traditional practices involve burning sacred medicines including tobacco, sweetgrass, sage and cedar within the work setting.

QUALIFICATIONS:

- current registration as an RN or RPN with the College of Nurses of Ontario
- willingness to work to a full scope including performing delegated acts through medical directives
- experience and demonstrated ability to work within a wholistic care model; able to work independently and be an effective team member
- experience working in an Anishinaabe organization and ability to understand and speak Anishinaabemowin a definite asset
- willingness and ability to travel
- valid drivers' license and own vehicle required; copy of current drivers' abstract required
- current criminal records check required
- commitment to ongoing training and professional development relevant to the job
- positive attitude and capacity to act as a healthy lifestyle role model
- proof of immunization in compliance with policy requirements is mandatory

LOCATION: Kenora, Ontario with outreach to First Nations Communities
